

Resetting your password

On the Evidence Mapper website, click on the “[Reset your password](#)” option. You will then be asked to enter your registered email address, to have a password reset link sent to your inbox.

Tip: Check your Spam folder!

When you’ve received the email, click on the “[Reset password](#)” link.

This will open up a window, where you will need to type in your email and the new password. The new password will need to be entered twice, to ensure matching characters.

Your password ([at least 8 characters](#)) needs to contain:

- Letters
- Numbers
- Special characters e.g. @\$!%*#?&){}

Click “Reset password”. If successful, a message will appear on the log-in page to confirm reset. You can now log in.
